

SA-5 SERVO

attaching feeder

PRECISION ATTACHING IN A SMALL PACKAGE!

Finally, a compact, affordable attaching solution that fits your budget **AND** your transport.

The Straight Shooter SA-5 attaching feeder was designed to fit where other attaching feeders won't. Its small footprint and simple design allow you to use it on a wide variety of transport bases.

Servo technology offers precise positioning and the color touch screen gives the operator complete control of the job settings. The SA-5 can attach 1 or 2 cards, magnets, or other media at speeds up to 25,000 per hour! (media dependent) Utilizing our patented Buckle Separation™ technology, the SA-5 feeds a wide variety of materials easily and our re-positional feed belts offer unmatched flexibility!

The SA-5 is compact, easy to use and affordable. Now you don't have to be an engineer to handle attaching! Our color touch screen and patented features make precision attaching easier than ever.

- **ONE OR TWO CARD ATTACHING**
- **BATCH COUNTING FOR PACKAGING**
- **TURN-KEY PACKAGE INCLUDES FEEDER, CONTROLLER, TOUCH SCREEN, ENCODER AND START PHOTO!**
- **REPOSITIONAL FEED BELTS LETS YOU CUSTOMIZE THE FEEDER FOR EVERY PIECE AND ARE EASY TO SERVICE!**
